

## LANIER LIBRARY TO OPEN THURSDAY

Completely redecorated, and so much brighter and more cheerful, the Lanier Library will reopen on Thursday, Dec. 23. All books overdue to that date will be accepted without fines. Miss Jacqueline Sprinkle, the librarian, will be there at the regular hours, 10:30 to 12:30 and 2 to 4:30.

Through the generosity of the late Miss Louisa Pitkin, always a good friend to the library, the Lanier Club has been able to redecorate, refinish the floors and make some very necessary repairs and improvements. A new book section will be added with Miss Pitkin's name carved on the top panel. An important innovation is fluorescent lighting in the main room, and the kitchen, now no longer necessary as the club meetings are held elsewhere, will be made into a special room for children's books.

Miss Sprinkle will welcome patrons and visitors to the library, which is for the use of the public.—Contributed.

Miss Dorothy Blackwell has returned home for Christmas holidays from Lexington, Ky., where she has been going to high school.

Miss Elena Garcia will leave on Friday for Washington, D. C., to spend the Christmas holidays with her family.

LOST: 2 identical keys on small key ring. Please return to Bulletin office. Reward.—Adv. p.
