### **IT'S YOUR SHOW**

Everything is in readiness for the Exhibition of Fine Arts to be Held at the Lanier Library Tuesday, from 3 to 9 p. m. and Wednesday from 3 to 6 p. m. The show has been launched primarily to encourage amateurs whose work has never been shown to the public and it may well mark a tentative advance toward the development of an art center in Tryon. Such a goal has long been discussed and with the wholehearted cooperation of the community, may well become a reality.

The show presents an excellent opportunity to unearth latent talent and to that end Mr. Sassoon and those assisting him have expended much effort and time. Your attendance at the show will justify their efforts and serve to encourage the amateurs who are making their initial bow to the public. The show is not confined to amateurs, however, and contains a high proportion of professional and semi-professional pieces in sculpture, ceramics and photography, in addition to paintings and drawings. Admission is 75c. Students 25c. Punch will be served both days.—Contr.
