LIBBY'S LINES

The golf association of the Tryon Country Club is planning a mixed foursome golf tournament with handicaps Sunday afternoon beginning at 3 o'clock at the club. A picnic supper will follow the tournament and each family or group is to bring their own picnic. Visitors are invited to come whether they are members of the club or not. Last summer a similar tournament was held with obstacles. The obstacles on the first hole consisted of a big tub of water with a floating block of wood on top on which the golf ball was teed. Needless to say, there were quite a few wet drives. No obstacles are scheduled for this tournament on Sunday, but one never can tell.
