FIRE AT FLYNNS

Lightning struck a storage barn and small shed at the M. B. Flynn Little Orchard shortly after 8 o'clock Wednesday night and completely destroyed them. The flames could be seen for miles. The lightning also knocked out the telephone line, but neighbors including Alan Calhoun from the high hills gave the alarm. The Tryon Volunteer Fire Dept. went out and saved the adjoining stable.

Hospital Auxiliary Picnic

Many members and friends of the St. Luke's Hospital Auxiliary and a group of nurses from the hospital, enjoyed the hospitality of Mr. and Mrs. J. L. Houser at Green River Plantation Wednesday evening.

A delicious picnic supper was served in the grove while music distributed through loud speakers reached every corner of the grounds.

After supper many guests enjoyed wandering through the extensive grounds and exploring the many interesting spots in this fascinating and historical spot.

Mrs. Margaret Range, president of the Auxiliary, announced that the picnic would be an annual feature of the organization and thanked all who helped to make it a success.
