CENTURY OIL BURNER

BUILT WITH
Watch-Like Precision
to give you years of
CAREFREE OPERATION

OLD FASHIONED METHODS of home heating are gone forever when you install a Century oil burner. Those wearing trips up and down the basement stairs to replenish fuel are outmoded; and your worry days about over-heating are over. By a simple adjustment of the thermostat on your wall, you get just the temperature you want. Century equipment is backed by 20 years of precision manufacturing. Ask for a free estimate.
