HANDICRAFT SHOW

There were some very beautiful and interesting articles at the Handicraft Show Friday, March 31, held at the Library. The committee wishes to thank everyone who brought exhibits and helped in making the show a success.

There will be another show in 1952, at which only articles made between now and then will be shown. In 1951, there will be an art exhibit. These are for the benefit of the Lanier Library. March is the month to remember—Cont.
