Much to our surprise we have received a large shipment of Nylon Lingerie — We say surprise because after being told we would have no more before Christmas . . . and making a violent protest about it . . . we had settled down to accepting a "business without Nylon attitude" . . . BUT, apparently our protest found a sympathetic ear, and we have not only Nylon Lingerie but inexpensive Nylon Lingerie—in all sizes and shapes . . . and of course, Fall Suits and Dresses.
