FIRE IN COLUMBUS

Elizabeth 9oct51
Prompt work by the Columbus Volunteer Fire Department saved the historic Boxwood Inn from total destruction by fire early this morning. The inn is now the residence of R. S. Ramsey and family. Civic leaders point out this is a good example of the value of having a first class fire department in the community.

Weather Friday: High 75, low 50; Saturday high 68, low 49, rain .45; Sunday high 54, low 38. The air is nippy but the skies are blue and the sun shining . . . Kiwanis meets Tuesday at 1 p. m., at Oak Hall . . . Tuesday, (tomorrow), is the big election day. The Republicans have a page ad in today's issue giving the list of local candidates for both parties. The district and state officers' names will be on ballots handed voters at the election booths. The list is too long to publish here. If you are a Democrat and want to vote straight just make a cross (X) mark in the big circle at the top and fold it up. If you are a Republican make a similar mark in the big circle at the top of the Republican column. If you wish to split your ticket don't make a mark in the circle at the top, but make a mark in front of each candidate for whom you wish to vote. Both parties have selected the men they think best qualified, so which ever way you vote you can't make a big mistake, if you are a "ticket splitter." Those who vote straight have their decisions already made up for them. . . . The Spartanburg Herald reports marriage of Cecil Caldwell Ruff of Landrum and Frances Hellen Gregorl, Taylors Route One
