

## OLD STUFF AT ROTARY

Continued from Page One

named Cyril.

Dr. Bryan's presentation of the "Genealogy of the Language" was most interesting and was certainly one of the most scholarly heard at Tryon Rotary in some time. He transformed what might easily have been a dry topic into a live and interesting one.

Arthur Britton was the program chairman.

President Dick Burnett gave a report on the recent district meeting at Morganton.—GRAVES TAYLOR.

## CORRECTION

The Tryonite staff is sorry that Ann Foster's name was omitted from the recently published list of "Miss Tryonite" contestants. Her box is at Cowan's Grocery.—School Reporter.

## COMMUNICATIONS

The Men of the Church of the Holy Cross are proud to announce that they have arranged to sponsor a series of 10 fortnightly lectures to be given by Dr. George Farrand Taylor at the Episcopal Parish House. The first lecture will be on Tuesday evening, Nov. 21, at 8.

Dr. Taylor's subject, one on which he is unusually well qualified and for which he is much sought after will be "The History of the Bible"—the story of how the Old Testament came to its present form. A truly interesting and exciting tale of great meaning to us all to-day.

Everyone interested in hearing this fascinating story is most cordially invited to attend the lectures.—Church Reporter.
