## Youth Caravan Here Sunday

The general public and especially all friends of Christian Education are invited to attend a special program at the Congregational Church Sunday night at 8 to meet three young leaders from three different colleges who will tell of their work in Christian Service.

The young people are John Groves of Hartford School of Religious Education, who has been elected president of the student body for next year. He will head the caravan. Next is William P. Tolley, who has just graduated from Elon College and has had several years experience as a student worker; and Timothy Chang of Shaowu, China, who has just graduated from Duke University, and who has been to Tryon before. They will be accompanied by Miss Pattie Lee Coghill, educational secretary of the Southern Conference of Congregational-Christian Churches, who also has been to Tryon a number of times.

The caravan is visiting churches in North Carolina and Virginia.

If you can't take a week's vacation try a week-end in the mountains of North Carolina.
