Vol. 24—No. 251 TRYON, N. C., THURSDAY, SEPT. 6, 1951

Weather Wednesday: high 83, low 70, Rel. Hum. 68. . . . The Crusade for Freedom campaign in the Carolinas opened Wednesday night with an address by Harold Stassen, president of the University of Pennsylvania and former governor of Minnesota. Three weeks ago he was in Germany and learned from first hand effects American propaganda, by radio and pamphlets, has had on people behind the iron curtain. Money is needed now to carry on this work and buy additional radio equipment that will reach more people in the Russian controlled area and tell them the truth to combat Russian lies. Our efforts in this propaganda warfare may save us from another world war. And if war should come the work we are doing will win us more friends who will come to our aid. The goal for Polk County has been set at \$500 and checks or donations may be sent to John G. Landrum Jr., at Tryon Bank & Trust Co. or The Bulletin office. Coin collecting boxes will be placed at various parts of the county and the county committee will be announced this week-end. A Crusade For Freedom Motorcade of two cars traveling from Murphey to Manteo, will arrive in Tryon Tuesday shortly after noon about 12:10 and will put on a show at 1:30. More details will be available later.

## POLK SOIL CONTEST WINNERS ANNOUNCED

Green Creek took first honors in Polk County in the Piedmont Communities Soil Conservation Contest, which was concluded Wednesday.

For doing the best job of carrying out whole-farm plans developed with help of the Broad River Soil Conservation District and the Soil Conservation Service, each of the eight members of the Green Creek group will receive a purebred dairy type heifer calf.

The members are Clint Swain, group leader, T. C. Swain, W. M. Higgins, John Smith, George Higgins, J. W. McDowell, Paul Wall, and W. B. Swain.

The calves will be bought by funds provided by The Spartanburg Herald-Journal, Spartan Grain and Mill Co., Spartanburg.
