Vol. 24—No. 271 TRYON, N. C.. THURSDAY, OCT. 4TH, 1951

Weather Thursday: High 87, low 53, Rel. Hum. 55 . . . Congratulations to the Tryon P.-T. A. on the success of its big street dance Thursday night. Approximately \$300 was raised for School Cafeteria equipment and between 500 and 700 people had a lot of fun at no expense to them except when they bought food to eat. The Ways and Means Committee and all the committee members and friends worked like Trojans, and that kind of cooperation always pays dividends. Friends from Landrum and various parts of Polk County were present to enjoy the occasion. This is the second time within a year that a large crowd has turned out for a street entertainment. The dance last fall was so successful that many of the young people wanted more of them . . . The White House announces that the Russians have set off another Atomic Bomb . . . The Giants beat the Brooklyn Dodgers Thursday to win the National League pennant. The World Series start today between the Giants and the Yankees. Oak Hall hotel invites any who wish to see the games over its television set . . .

The dry forces today noon filed a protest on the A B C election on the grounds that Mrs. B. E. Samples, registrar, was not sworn in at beginning of registration.

FIRE WEDNESDAY

A spark from a shoe nail which ignited is reported to have caused a fire in the wash room of the Sinclair Service Station Wednesday noon. The loose gasoline and grease on the floor of the room immediately caught on fire and the flames went up the inside of the building which was all concrete. No serious damage was done. The Tryon Volunteer Fire Department arrived in time to put the fire out in a few minutes.
