

Leaves For New Orleans

Mrs. Harkness Smith leaves today for a two weeks' stay in New Orleans, La., where she will have a showing of her flower paintings at the Modern Age Galleries. She will be accompanied by Mrs. John Fuldner.

TRYON GOLF NOTED

Wilton Garrison's Sports Parade in Sunday's Charlotte Observer had the following comment regarding golf in Tryon:

"Native mountain chaps are employed as caddies at the Tryon Country Club. The other day Guy Sowards, waiting for somebody in foursome to putt out, asked his caddy: "What is considered a good score on this course?" "Mister," replied the youngster solemnly, "most of them try to do it in just the littlest strokes as they kin, but mosten of the time it takes some more." That, we would say, is a pretty good summary of the great (and humbling) game of golf.
