## COMMUNICATION

Dear Home Friendly Friends:

Received your October issue of the News and addresses of boys from good old North Carolina, and really, was glad to get it. I am always looking forward to them. I let my buddies read them and they really like the idea of it and wish they were getting one from their home town.

Well, I have been to 3rd A. A. Food Service School and got my diploma from Cook and Bakery School the last day of August and returned to my old Medical Co., which Grady Earl Underwood and Jack Phillips are in, to cook. I always watch out for them and see that they get plenty to eat. I like cooking real fine. We also have a next door neighbor from good old Polk, who is Roy Burrell, whom we see and visit very often.

Well, I must close for this time, all except that I hope everyone in Polk County lots of luck and keep the Newsletter coming each month, for I really enjoy it lots.

"A home town used to be."

In the next letter, tell all the boys I said hello.
