

LEAD REVIVAL

The First Baptist Church of Landrum began a two-week revival campaign on Sunday evening, October 28th, at 7:30 o'clock. Rev. Lloyd Pace, pastor of the Holly Springs Baptist Church, will do the preaching, with the Rev. Milford Vaughn, pastor of the Friendship Baptist Church, in charge of the music.

Mr. Pace, who is known as the "County preacher," is pastor of one of the largest rural churches in South Carolina, and is well known throughout this area as a man with a dynamic message.

Mr. Vaughn is an accomplished soloist and song leader, and has been in charge of the music in a large number of churches and city-wide revivals in the Southland.

The meetings will start each evening promptly at 7:30.
