SAFETY PATROL SUPPER PLANNED NEXT WEEK

A movement is on foot to honor 15 high school Safety Patrol boys at a dinner at Oak Hall, on Wednesday, November 14. Approximately 75 men of the community are expected to take part and hear Lieutenant Hunt of the State Highway Patrol address the boys when they are presented their safety patrol uniforms.

The tragedies of highway travel have spurred the National Safety Council and the Automobile Associations to seek every means possible to reduce accidents and promote safety for school children.

The price of the meal is less than \$2 and reservations may be made through Police Chief Lewis Lindsey or The Bulletin Office.
