

## LIST TAKERS AIDED

Chapel Hill, Dec. 12.—The 1,200 township list takers in North Carolina will receive instruction aid from the University of North Carolina's Institute of Government in preparation for the listing January 1 of property subject to county and municipal taxation, it was announced today.

The program of instruction will be given in more than 90 of the 100 counties in the State on Monday Dec. 17, under the sponsorship of the Institute and the State Tax Supervisors Association.

In each county the tax supervisor is acting as instructor and will use as his textbook the Institute's guidebook for List Takers and Assessors, compiled by Henry Lewis of the Institute's staff.
