

New Church of Christ Will Open Here Sunday

The Tryon Church of Christ will dedicate its new church building at the formal exercises Sunday afternoon at 3 o'clock. The public is invited. Services will also be held Sunday night at 7 o'clock.

Chester A. Hunnicutt is the evangelist for the local church which has 23 members and the following officers: Ellis O. Buckner, treasurer; Albert Henderson, Burgess Patton, F. O. Cochran and Claude Cochran, trustees.

The new building is located on U. S. 176 opposite Seven Hearths at the intersection with Harmon Field road. It is a two story, concrete block and frame construction that will seat 225 persons. The building houses six Sunday school rooms, a nursery, two rest rooms and a baptistry. It was built at a cost of approximately \$12,000.

Among the out-of-town speakers who will take part in the dedication with brief remarks are Virgil R. Richie, Spartanburg, S. C.; M. E. Burns, Valdese, N. C.; J. W. Davis, Greenville, S. C.; Walter Neil, Union, S. C.; B. H. Nicholas, Asheville, N. C.; W. G. George, Hendersonville and C. W. Womack, Spindale, N. C.

The local organization was formed in Tryon about 12 months ago, and has held regular services ever since in Columbus while making plans for a permanent building.

Evangelist Hunnicutt states that there are about 1,500,000 members of Churches of Christ in America in addition to many more in about 20 foreign nations. There is no headquarters except Christ. Each church is independent and yet the members are united in the Christian Spirit which has built 20 colleges in America and sent

missionaries to all parts of the world. The church's nearest educational center to Tryon is David Lipscomb College at Nashville, Tenn., which has about 1,500 students. The history of the church states that the first unit of the denomination was founded in A.D. 33 in Jerusalem; and the first in America was formed in 1790 at Manakin Town, N. C.

Mr. Hunnicutt, the evangelist of the local church, is a native of Alabama.
