New Dietitian Here

Miss Elizabeth P. de Waal of Rotterdam, Holland, is the new dietitian at St. Lukes Hospital, having succeeded Miss Wenonah Joyner.

Miss de Waal is a graduate in dietetics at the University of Leyden and was chief dietitian at a 250 bed hospital in Holland before coming to America in December. She visited her brother at Orangeburg, S. C. and within three weeks had secured the position at the Tryon hospital. Her mother is now visiting her brother at Orangeburg, and if all goes well they plan to make their permanent home in this country.

The Tryon Rockets played Chesnee last Thursday, winning both games. The boys 46-20 and the girls 34-1. The next game is scheduled with Chesnee, Wednesday, Jan. 30.
