### HOME FRIENDLY LETTER

Baumholder, Germany.

Dear Home Friendly Club,

Your letters and Christmas card were received with great appreciation.

I was very happy to learn of the addresses of so many of the home town boys. If it had not been for your Club I would probably have spent the remainder of my time over here not knowing that right here on the same post (B. M. S. P.), Pvt. Forrest Pritchard is mentioned. Also not more than six hours ride, Pvt. Frank Brown is at Kaufences. By my knowing these addresses I shall be able to look up these two friends during my off time, thanks to you. And may I congratulate you on the fine work your Club is doing. It really does help a lot in building up a guy's morale in hearing from home and knowing the home town folks are wishing us well and passing on their regards to us.

I look forward to your continued correspondence as often as possible, for it's always a pleasure to hear from your Club.
