(Suggested by 150-mile drive through Christmas traffic:)

"The angel of the Lord cometh round about them that fear the Lord and delivereth them."—*Bible*.

You are out in heavy traffic, Lad
Where Danger holds her court
Many are out on business
And many out for sport.

But go your honest way, Lad,
No matter how you feel
If your guardian Angel's with you
And his hand is on the wheel.
For your heavenly Father sends
him, Lad,

To guide you on your way
With instructions to "Deliver"
Be conditions what they may.
So never doubt nor fear, Lad,
But hold it to be real,
That your guardian Angel's with
you—

And his hand is on the wheel.
