## Rotary Hears Proffitt

In his talk at Rotary on Friday, Brank Proffitt, Superintendent of Tryon Schools gave a detailed report of new equipment installed and other improvements made in Tryon's school buildings. He announced that the new high school building will soon be ready for the state inspector's visit, and that plans are being made to move in about the middle of March.

He also outlined a program of further development as being desirable, with particular emphasis on the immediate need for a full-time librarian, one additional elementary teacher, and one additional high school teacher. With a longer-term view toward the future, he expressed hopes for a complete playground development, a competent instructor for manual training, the organization of a high school band, and a lighted football field for the high school games.

In discussing statewide movement toward an improved educational program, Mr. Proffitt told of the political effort that will be made during this election year by the "United Forces for Education," composed of six separate organizations: North Carolina Congress of Parents and Teachers; State Grange; N. C. Education Association; N. C. School Board Association; Farm Bureaus; and North Carolina Women's Clubs. The platform endorsed by these groups includes: reduction of class size from 32 to 30 pupils; increase of salary range from \$2,200-\$3,100 to \$2,600-\$4,100 for certificated teachers;
