Ernst Mahler joined the firm as a chemist in 1914 and is, now executive vicepresident and chairman of the hoard of International Cellucotton Products Co., John R. and J. H. Kimberly are also executives of this enormous paper business which has grown to be one of the largest of its kind in the world, with mills ...... Continued On Back Page\_\_\_\_

## Garden Club Elects New Officers

The annual meeting of the Tryon Garden Club was held at the Congregational Church House.

The business meeting in the morning included reports from the Chairmen of committees and from the President. The following officers were elected: President, Mrs. Walter S. Fellows; Vice President, Mrs. Walter A. Knoop; Recording secretary, Mrs. H. Lan Moore; Corresponding secretary, Mrs. Wilbur Roadhouse; Treasurer, Miss Sybil K. Morse.

Mrs. E. M. Wylie expressed the appreciation of the Club for the out-going President, Miss Elizabeth H. Webster and her six years of service. Mrs. Fellows was welcomed and spoke of her desire to serve the club.

After the business meeting the club adjourned to the auditorium, where the newly-chosen club flower, the daffodil, was represented by a large and outstanding display of named varieties of daffodils sent by members of the club and by Mrs. Samuel F. Chapman. Each member received a corsage of spring blossoms. The luncheon was the last word in spring-likeness.
