Gaden Corpening Addresses Tryon Lions Club On Tuesday

Gaden Corpening, manager of Eskdale Farms and Dairy, was the guest speaker at the Tryon Lions Club Tuesday night at Oak Hall and gave an outline of the preparation of soil for pastures to produce feed for dairy stock, and then gave some of the methods of producing and caring for the cows, including artificial breeding, constant checking, feeding and milking on a regular schedule every eight hours in order to be prepared for inspection by State College specialists.

Mr. Corpening said no two cows are fed alike. Each has her own personality and demands special attention to get the best results. The Eskdale herd is one of the top registered herds in the state.

Guests at the meeting included Glen Bemisderfer, Mill Spring; Henry Gilbert, Tryon and Miss Sara Cain, Toledo, O.

Committee for the Blind reported that arrangements had been made for the purchase of nine pairs of glasses for some children in the Tryon colored school.
