## Mayor Addresses Kiwanis Club On Tuesday

Town Commissioner R. B. Scruggs had charge of the Kiwanis club program Tuesday at 1 p. m. at Oak Hall hotel and had as his guest speaker, Mayor C. D. Stevens who gave an outline of the need for the proposed bond issue to expand the water facilities of the Town of Tryon.

Mayor Stevens emphasized that the bond issue would not raise the taxes of the property owners and would not increase the monthly water bills to the consumers. The revenue from the water customers each month will be sufficient to take care of the debt and interest. But in order to get enough money at once to pay for the added storage facilities and new pipe lines it would be necessary for the voters to authorize the loan, like signing a note that is to be paid for by profits in a business.

Commissioner Scruggs in his introductory remarks urged the Kiwanians to inform their neighbors of the importance of registering this week in order to vote in this and other Town of Tryon elections.

Kiwanian Jake Ivey of Spartanburg was present to make up his perfect attendance.
