TRYON, N. C.

WEDNESDAY, APRIL 30, 1952

Weather Tuesday: high 74, low 48, rain .03, Rel. Hum 44 . . . General Ridgway's appointment as successor to General Eisenhower in Europe is generally popular. And General Mark Clark's appointment to succeed Ridgway in Asia seems to be O. K. . . . The collision of the ships Hobson and Wasp, shows that even when the best trained are in charge they make mistakes, too. Sometimes Annapolis and West Point are overrated. The common run of folks with common sense succeed often like Edison and Ford and Tolson. . . . Congratulations to voters of Tryon in approving the water bond issue Tuesday by a vote of 318 to 130 against. There were 448 votes cast out of 678 registered. . . . The new bond issue will be used to develop the water resources of the community. . . . Judge David A. Fine has ruled that President Truman was illegal in seizing the steel industry. Immediately the Steel unions called a nationwide strike. What next? . . . Eisenhower leading Taft in Massachusetts.

At a recent meeting of the Chapter of the American Red Cross Richard R. Williams was elected Treasurer to succeed Kenneth Sanders who resigned.
