## CURB REPORTER

Weather Friday: high 87, low 50, Rel. Hum. 37; Saturday high 87, low 56, Rel. Hum. 46; Sunday high 87, low 48, Rel. Hum. 34. . . May is the busiest month for bird life, nesting is in full swing, eggs being incubated and soon the parent birds will be feeding the young. A glorious period. Already the air is filled with bird songs. On Tuesday morning at 9 o'clock the Tryon Bird Club will go on a bird walk at the George Holmes place on Godshaw Hill. Anyone interested is invited. The wildlife in Tryon is nothing to be ashamed of. The State Wildflower Assn. just completed its second meeting here Saturday and Sunday and had picnic lunch and visit at Pearson's Falls and went on exploring expeditions all over this section. Many are coming back later for individual trips, says Secretary Cooksey of the Chamber of Commerce. . . Tryon Lions Club will meet Tuesday night at Oak Hall. . . Supreme Court ruled that U. S. can't raise steel wages without consent of industry.

Job open to carry the U. S. mail between the post office and the depot, taking mail to the depot and taking it off the trains and to the post office every time a train runs. The hours run from about 9 a. m. to about 7 at night and later if the train is late. The pay under the present contract is \$60 per month. You furnish your own car, gas, etc. If interested in bidding on the job prospectors may get application forms from Postmaster G. I. Henderson. Those who see George Carson's car loaded with mail and held on by ropes to keep it from falling off can understand why. He bid too low to get the job four years ago.
