An application was made to the Harmon Field Commission to light the present football field, located at Harmon Field. This field to be primarily used for school activities. A committee was named to organize a drive for funds to establish such facilities as necessary for school athletics. Further plans will soon get under way and will be announced in the Tryon Daily Bulletin.

"G. D. Cooksey, Sec.-Treas."

After careful consideration and due consideration the Harmon Field Commission will enact the following at their next meeting:
