Harmon Field Commission Announces Lighting Plans

At a meeting of the Harmon Field Commission held August 25, the following proposal was enacted into the Harmon Field by-laws and regulations. And, since the Town of Tryon owns the deeds, and holds possession of the by-laws and regulations of Harmon Field, the original of the application made by the Tryon Chamber of Commerce and the proposal of the Harmon Field Commission to light the field has been turned over to the town manager for filing along with the deeds and regulations.

Since the proposal that appeared in The Bulletin, August 18th, it has been necessary to make a few minor changes brought about by public suggestions.

In accepting these changes we have incorporated them in the final proposal as follows in order to make it clearer to the public:

"Be it resolved that subject to the acceptance of the Harmon Field Commission to direct, regulate and control Harmon Field, it is the intent of the Harmon Field Commission to establish playground lighting facilities on a portion of the property known as Harmon Field for the following purposes and upon the following conditions:

- "1. That the lighting facilities become a part of the Harmon Field property.
- "2. That the field lighting installed for this purpose shall not be used for baseball by any group or organization.
- "3. Field lighting shall be primarily for school activities.
- "4. That all other uses to be made of the said field lighting facilities shall be in the exclusive
