Weather Friday: high 84, low 54, rain .06; Rel. Hum. 76; Saturday high 87, low 60, Rel. Hum. 70; Sunday high 78, low 65, Rel. Hum. 72. . . This is national dog week. Everybody admires a boy and his dog. This is a good week to recognize the activities of the young people. All those who have promised to help raise money for the lighting of Harmon Field have only a few days as most of the equipment has arrived. The long poles came in on two railroad cars, and they were too long to make the curves on the mountain rails between here and Tennessee and had to be shipped by way of Atlanta, Ga. and up through Spartanburg. This equipment was bought on faith. Will you who are interested respond in time to meet the payments? The Lord helps those who help themselves and the School children have donated \$66 from their spending money for this purpose. Now is the time to light up with your contributions.

FPH GOODLOE: "You know, the longer these two birds politic for the Presidency, the more the water seems to muddy. To my way of thinking, it's a good thing we vote THIS year, and not later."
