Vol. 25—No. 139 TRYON, N. C. TUESDAY, SEPT. 23RD, 1952

Weather Monday: High 74, low 64, rain .16, Rel. Hum. 80. . . Monday was a great day here for showing the value of community cooperation. The 4-H Junior Calf Show was an inspiration to everyone who likes to help young people help themselves and in the end help the nation as a whole; the longest poles ever received in Tryon were also at Harmon Field having lighting fixtures attached before being raised Wednesday morning in preparation for the football game Friday night. Ralph Walker of the contracting firm in charge has the cooperation of the people here has been wonderful and that the poles will go up ready for lighting faster than any job they have ever done. The holes are nine feet deep and the 85-ft. poles will be raised by machinery. A thrilling sight for some boys who can watch it. Donations are coming in now for the project from Oak Hall hotel, Russell Walcott, Dan S. Ryon, W. Y. Wilkins Jr., C. O. Bidinos, Nelson Jackson II Another example of cooperation! Relatives of Zeb Clarence Jackson, 32, drowned in Lake Lure about midnight Saturday, appealed to Tryon Police and Firemen to help get the body out of the lake. There were no grappling hooks in Tryon.
