## LIST YOUR TAXES

James E. Johnson, county accountant and tax supervisor, spoke on county taxes at the Kiwanis Club Tuesday at Oak Hall. Mr. Johnson stated that every 4 years there is a re-valuation of property and that the property in Polk County will be re-valued in Jan. The speaker stated that the County Commissioners had appointed a lister and two assessors for each township in the county and that everyone must list both real and personal property.

Mr. Johnson said that in the past, only 33 per cent of the people in Polk County had listed their property and the rest were re-copied from the tax books, but that if they didn't list their property this time they would be assessed a penalty of 10 per cent of the property value. The speaker stressed the fact that the cooperation of everyone is needed to make the re-valuation a success.

Guests of the club were Fred Schairer, Pittsburgh, Pa.; Joe Kerby, Tryon, and Michigan City, Ind.; Arthur Carlson, Chardon, Ohio; Lloyd Carlson, Tryon; and Rupert Koch of Hendersonville. Craig B. Thomas was in charge of the program.
