CURB REPORTER

Weather Wednesday: high 59, low 44, rain .82, Rel. Hum. 56. Eisenhower administration gets under way. All cabinet members, except Charles E. Wilson, named for secretary of defense, have been sworn in. Mr. Wilson owns over two million dollars worth of General Motors stock which he must sell before the Senate will confirm his nomination. General Motors does a lot of business for the government and it is against the law for such a person to be a cabinet member. No one doubts his honesty or ability. Eisenhower has the blessings of the nation. Former President Truman was welcomed home by 10,000 neighbors. America is getting ready to go forward. . . The N. C. House Judiciary Committee approves Rep. Brantley's bill to extend authority of Tryon ABC enforcement officers throughout the county. It is now before the Senate. . . The flu epidemic seems to be world wide. About 15 million in France have it. Many schools have closed in the United States. Epidemic is mild, most people recovering after three or four days. . . An invitation has been extended through the Bulletin to all business firms to put advertisement in the 25th anniversary edition. Have you written yours and sent it in? We can't accept them a few days before publication. We just don't have enough time to set them up and print them. If you want one please let us know right away. Have you any suggestions for items that will be of interest? We know we will leave out some things because it is almost impossible to remember everything, but when it comes out and you
