## COMMUNICATIONS

As of today, there has been placed within the reach of every man, woman and child in Polk County, the opportunity to give to one of the greatest causes of all time. This is, of course, the "Polio Fund", and this year, of all years, there is great need. The school children have their dime cards, the mills have their collection plates and sheets, and the stores in Tryon, Columbus, Mill Spring, Lynn and Saluda have on their counters the familiar "iron lung", for the reception of shoppers' dimes. All schools have been told that they are not to solicit from door to door, and the public is urged NOT to give to any child unless that child is known to them, personally. Polio this year, is at an all time high, and the need for help is great. The movie theatre is operating a short March of Dimes trailer, and theatre patrons are urged to drop a coin in the boxes of the collectors in the theatre lobby. Let us make this

## MEN AT WORK

The Men's Garden Club of Tryon met at Oak Hall Friday and discussed various problems of cultivating, watering and growing vegetables, flowers and shrubs. Discussion was led by William Barrow, Albert Simpson, Wayne Creasman, Paul Culberson, Wilbur Roadhouse and joined in by the members. Mr. Culberson told of the importance of watering; Mr. Roadhouse on growing boysenberries; Mr. Creasman on planting and mulching tomatoes with paper and sawdust. E. A. Turner reported eating tomatoes from his garden last week. Many of the members exchanged experiences. H. L. Mapes, a prize winning rose grower, said he always learned something at every meeting.
