

MAGISTRATE COURT OPENS MONDAY AT 10

The monthly session of magistrate's court convenes Monday at 10 a. m., at the court house in Columbus.

Traffic violations and other misdemeanors for the past month will come before the court.

A monthly session of court was decided upon following the meeting of civic leaders at Oak Hall several weeks ago, when the judicial system and other procedures of Polk County law enforcement was explained to the group, and it was pointed out that a monthly session would be more complete than a weekly Monday night session.

Judge Monte Dedman will preside over Monday's session.
