Dear Friends,

Well, I guess you thought I had forgotten all about the Club, but by all means I haven't. I wrote a letter last month telling you of my correct Apo. number, but I guess it got lost on the way or something.

I sure hope the letter you nice people write every month to all the guys doesn't get lost, because I always look forward to getting it to find out what's new around town.

By the way, thanks very much for the list of addresses in this month's letter. I had lost most of the guys' addresses.

I also made corporal about three months ago. My new Apo. number is 541 instead of 54.

Robert Pittman.
