

WHAT'S NEW?

What's new in swim suits will be a delightful feature of the Ballenger Co.'s Style Show at the Stearns school auditorium Tuesday, March 24 at 8 p. m. A number of local high school lovelies will model these exciting Jantzen "latests" of nylon, orlon, rayon, lastex and cotton.

To accentuate the progress made in swim suit fashions in the past 50 years Jantzen has modeled in this showing some of the "has beens" that promise much laughter and enjoyment.

Another endearing feature of the show will be portrayed by the pre-school children and the young toddlers who, in their frilly and ruffled batiste, will show what's new in the small fry's Easter parade.

Tickets are now on sale and can be purchased through the school or from members of the P.-T. A. Door prizes will be awarded to ticket holders.—Cont.
