certain members go away to Fire Fighting Schools to learn the best methods. This is a service given to the community by this splendid organization.

The Bulletin congratulates Mr. Creasman, Mr. Fisher and Mr. Ford on being the first to reach this goal. We understand there are a number of others who will join them soon. Such is the faithfulness and loyalty of this group of men who have developed strong ties of fellowship in community service over the years. They are proud of their organization and of their work. The Bulletin joins the hundreds of other citizens who appreciate this service and honor the group as a whole. They have made Tryon one of the safest communities in the nation.
