

Collecting Clothing Here For German Refugees

A committee of Tryon church women are now collecting clothing to be sent to Europe for the thousands of refugees who have fled the Russian occupied zone to the American occupied zone. These people had to leave all their clothing and other belongings except what they had on their bodies. They are desperately in need of useable clothing.

A committee headed by Mrs. E. B. Olson of the Women's Society of the Congregational Church will be receiving donations every Monday for the next four Mondays and will ship the clothing to Berlin. Those wishing to donate clothing for the women and children may leave packages at the pastor's study of the Congregational Church House on March 30th, April 7, 14, and 21st.

Mrs. Olson has already shipped one box to Europe and will make other shipments as fast as they are collected.

Clothing should be clean and usable.
