### John Dalton In Germany Writes Home Friendly

Dearest Friends,

Just a note from Germany to say I arrived here Feb. 28th, and I am stationed at Weisbaden, Germany. The weather here is fine and the people very nice. Of course there are things which seem a bit strange to me, but I'll get used to them. I am about a 9-hour train ride from Paris and I hope to visit many places in Europe while I am serving here. We had a good ocean voyage which took 9 days.

My address is A-2c John G. Dalton, AF 14403652, 497th Recon Tech SQ. care P. M., New York, New York.

I would like to say hello to all my friends and would like to hear from you. Mail sure means a lot.
