A 38 ACRE WOODLAND of magnificent virgin trees—giants of hemlock, spruce, beech and many other deciduous trees. A joyful mountain steam cascading through a glen which narrows enough at one place to build a dam to make a private lake or pool. Terraced gardens developed over the years—flowering shrubs, native red bud and dog wood in profusion. All this makes a setting for a very comfortable home of three bed rooms, 2 baths, living room with fireplace, kitchen having built in cabinets. Basement has laundry, garage, and an oil furnace. A stone terrace, work shop and studio combine to make this one of the most attractive properties available. RICHARDSON & KARSTEN, Realtors. — Advertisement 20, 24, 26, 27.
