RED CROSS REPORT

March—Red Cross Month—ends Tuesday. But the Red Cross Fund Drive is not ended. A little over 80% of Polk County's quota of \$6,005 is in, but a good many solicitors are still to be heard from.

If you are a solicitor, won't you please try to complete your calls as soon as you possibly can, and turn in your money and reports promptly?

If you are one of those upon whom no Red Cross solicitor has as yet called, will you help in the Chapter's last-minute work by personally sending or taking your Red Cross contribution to the Tryon Bank & Trust Co.?

Our men in service—their families—our neighbors in time of trouble—our children when polio strikes—all need the Red Cross desperately. And your Red Cross needs YOU—NOW! Polk County must not fail in this great humanitarian task!—Contributed.
