Noted Lawyer At Rotary

Judge Robert Marx, former superior court judge of Cincinnati and noted corporation lawyer, who has traveled extensively in many parts of the world, will be the guest speaker at the Tryon Rotary Club on Friday at 1 p. m., at Oak Hall hotel. R. B. White has charge of the program.

Judge Marx's talk will be illustrated with pictures which he took on a tour the seven seas and four continents two years ago. An account of this trip has been compiled into book form under the title "Stella" which is the name of the ship that took him on the seven seas. The book came off the press a few months ago.

Judge Marx's pictures and interviews are said to be more than the work of an ordinary traveler and photographer, as he interpreted everything through the keen eyes of the lawyer-economist, who studied the political aspects of the countries visited, their religious and cultural backgrounds and other factors that make life tick.
