Vol. 26—No. 100

TRYON, N. C.

FRIDAY, JUNE 19TH, 1953

Weather Thursday: High 91, low 64, Rel. Hum 7.2. The hot days are not so bad when we can get such long cool evenings and mornings when the thermometer drops below 70 . . . Highlights of the world news is centered on the release or escape of 26,000 anti-Communist prisoners from United Nations camps in South Korea. The Chinese Communists open new attacks on South Koreans in six places. . . . Large U. S. airplane a globmaster, crashed in Japan Thursday and killed 129 U. S. service men bound for Korea. The plane landed in a rice field and burst into flames immediately . . . The Rosenbergs get another day of life as Supreme Court gets recess in hearing over their case. . . . The preliminary trial of J. L. Rhodes charged in a warrant sworn out by Mrs. Roy Dalton, for assault with a deadly weapon on Mrs. Rhodes, will be held this afternoon at 2:30 at Columbus Court House before Magistrate T. A. Gilliam . . . The Hobo Party and picnic supper for the Fellowship group of the Congregational Church will be held at Lake Lanier Tea House this evening. Sunday is Father's Day and the big event locally will be the celebration of the 150th anniversary of the Landrum First Baptist Church with all day services. About 800 people are expected. . . .

## HERE FOR WEDDING

Among the out of town guests arriving for the wedding of Miss Mary Ann Morris to Mr. Thomas Cookerly on Saturday at 6 p. m., at the Tryon Methodist Church are Mr. Charles Hamilton, Mr. Frank Curren, Mr. Conrad Puckett, Mr. William Steele, Miss Cindy Lineberger, Miss Barbara Danis, of Charlotte; Mrs. Thomas Cookerly, mother of the bridegroom of Arcadia, Calif.; Mr. William Daeschner, Mr. Tom Hubbard, Mr. Ralph Backus, and Mr. Ray Bell of Birmingham, Mich.; Mrs. Ohland, Clearwater, Fla.

The ceremony will be performed by the Rev. H. A. Pruyn, pastor.

## Flynn At Ft. Belvoir

Cadet Ligon B. Flynn, son of Mr. and Mrs. B. B. Flynn, of Tryon, a Junior at N. C. State College of A. & E., is one of 800 cadets assigned to the 1953 ROTC Engineer Summer Camp at Fort Belvoir, Virginia, for a six week field training course which will continue until 1 August.

Cadet Flynn will undergo Officers Training during this period. His leadership ability will be developed and he will be schooled in the fundamentals of the Corps of Engineers. He will receive training of the type not readily available at most universities and will include such Corps of Engineer Training as the construction of floating and fixed bridges, explosives and demolitions, camouflage and field fortifications, operation of heavy engineer equipment, road construction and water purification, as well as tactical field problems.

At the completion of this training he will be eligible for a commission as a Second Lieutenant in the United States Army Reserve.
