The program starts promptly at 1:30 and President Geo. C. Vance states that the public is invited to hear Mr. Kittrell. Those interested should be in the lobby of the hotel by 1:20 and be seated in the club room before the speaking begins in order to avoid interruption by late arrivals.

Over 50 box suppers have been reserved for the picnic supper at the Tryon Country Club July 4th. Other members of the club who did not make reservations may prepare their own basket meals complete and sufficient for the number in their party and join the group at the club house for the fellowship of the occasion.

Miss Elena Garcia is president of the Women's Golf Association, the group in charge of the supper.
