LETTER FROM KOREA

Dear Friends:

I will write you a line to let you know that I am still in Korea. Our company commander told us today that we would be in Korea for at least 60 more days. He thinks we will return to Japan. I know everybody back there at home is happy for us over here, for you know we are happy over the truce. I wish you could have seen the boys here when they told them to cease fire.

I can't help but laugh, for I told all the boys around there that it wouldn't last three months after I got over here for I never held a job over three months at a time.

We are going to have a party tonight. It is in a tent but we are happy to have it. I hope all of you will have the best of luck.

The Kid from Tryon.
