Miss Ruth Lockman, field representative of the American Red Cross, was in Polk County during the week-end making an official visit to the Polk County Chapter and examining books and records. She stated to a local reporter that the Polk County Chapter of the American Red Cross was one of the outstanding in the nation, that its achievements in giving the most humanitarian service at the least cost possible, was something all citizens could be proud of. She said the donors could feel sure that they were getting the most out of every dollar contributed, and that the officials of the Red Cross chapter of which Henry Hart is chairman and Mrs. Paul Culberson, executive secretary, have done a magnificent job.
