"Panther Wins 3rd Round In Fight Against Ouster"

The Spartanburg Herald of Wednesday morning announced in three column headlines that Sheriff Loyd B. Panther had won the third round of his fight against the petition to have him ousted as sheriff of Polk County.

The sheriff won the first round when Judge J. Will Pless refused to remove him from office at a hearing in Marion. The second and third rounds were won Monday afternoon when the Grand Jury did not return a true bill against him and Judge Q. K. Nimocks Jr. struck from the petition the statements concerning Panther's arrest in Landrum for drunken driving and also the statement that the sheriff was unable to buy liquor at the Tryon ABC store on account of his arrest in Tryon for drunkenness.

The judge ruled that even though fines were paid by the sheriff in these cases it does not brand the defendant as guilty of the charges.

Miss Mary Sanders has gone to Charlotte where she will teach in the fifth grade at the new Barringer School.
