Weather Thursday high 84, low 64, Rel. Hum. 32 . . . Saturday is a BIG DAY for all North Carolinians. It is the day to vote for the school bond issue and support of improvement for our mental institutions. Voters do not have to vote for both bond issues. One prominent citizen said he didn't mind voting for better schools but he didn't want to help the mental institutions filled mostly with people who went crazy drinking liquor. He will have his choice. Others may want to vote help for the poor mentally diseased who can't help themselves. That's their privilege. Some people who went to a one-teacher school where all grades were taught by the same teacher in a one-room school house may think the present set-up is good enough. That's their privilege. However, all citizens who are proud of their families, their communities and their state and want to see them progress and get the best things in life, will VOTE for BOTH bond issues. We can not afford to do as the priest and the Levite and pass by the certain people who are in need. We must help them as good Samaritans should regardless of how they became afflicted. We who love our children and our neighbors children will vote for the school issue
