

ENTERED AS SECOND CLASS MATTER AUGUST 20, 1928, AT THE POSTOFFICE  
AT TRYON, N. C. UNDER THE ACT OF CONGRESS, MARCH 3, 1879

# THE TRYON DAILY BULLETIN

The World's Smallest Daily Newspaper.

Seth M. Vining, Editor

Vol. 26—No. 189

TRYON, N. C. THURSDAY, OCTOBER 22, 1953

James, Miss Elizabeth 9oct54

Weather Wednesday: High 84, low 48, Rel. Hum. 48 . . . An attractive marble bench has been placed in the park prepared by the Garden Club at the railway station. An invitation for the tired visitor. This property belongs to everyone who have eyes to appreciate it. The same goes for the streets and vacant lots. When you see men throw cigarette papers, drinking cups and other trash on the streets and in the parks or vacant spaces, you know they are damaging your property, because they spoil the beauty your eyes want to enjoy. They don't know they are violating a state law which stamps them as not law-abiding; they don't know that other people are watching them and classifying them as certain kinds of citizens—uncooperative, indifferent, and lacking in good taste. Some of the poorest people have the best manners. They wouldn't think of throwing a scrap of paper in front of your door or out of their automobile in front of your place. And your place is everywhere you ride or walk and can appreciate beauty with your eyes. The other fellow pays taxes on it or the state holds title to it, but only the fellow who can see it and appreciate it really owns it. The more we

## Many Improvements Made By the Town of Tryon

The Town of Tryon has been busy hardsurfacing many roads in the past two weeks. Town Manager Claude Smith stated that the town had laid 25,500 yards of black top. The black top has been extended on Howard Street to where it joins Newmarket Road near the bridge on Vaughn's Creek. An unnamed street that leads off Howard Street at Roseland Park has been paved to the city limits. Other streets that have been paved include Payne Street, Pine Street, Glen Cornoch Road, Glen Walden Lane and Salley Lane (up Doderhoff Hill, behind Butler's Dairy).

The town has also installed a new water line of 10" and 8" pipe from the Water Works through Gillette Woods to Highway 176. This line is 1 1/4 miles long, and 5 fire hydrants have been connected to the line.

Trade Street is being widened at the railroad between the two crossings to allow cars more space in which to park and give more room to passing traffic.

## HOSPITAL NEWS

Mr. and Mrs. T. M. Rhodes of Saluda are parents of a son, born October 21, at 6 p. m.

Other new patients include Mrs. Marion Smith, Columbus; Mrs. Clyde Conner, Saluda.

Patients discharged include Mrs. Fred Gibbs, Tryon.

The Columbus and Tryon Presbyterian Churches will show a movie Friday night at the Columbus church, "Faith for Every Child."
